

The International Congress on Fracture

presents this certificate to

Kevin Jacob

For

1st Place Post Doctoral Researcher Poster Presentation
“FRACTURE BEHAVIOUR OF HPT PROCESSED
MARAGING STEELS”

On this sixteenth day of June, two thousand and twenty three

Ashok Saxena, Executive Chair, 15th International Conference on Fracture

The International Congress on Fracture

presents this certificate to

Karl Michael Kraemer

For

2nd Place Post Doctoral Researcher Poster Presentation

***“CRACK GROWTH UNDER THERMO-MECHANICAL
FATIGUE IN NICKEL CAST ALLOYS”***

On this sixteenth day of June, two thousand and twenty three

The International Congress on Fracture

presents this certificate to

Mahavir Singh

For

3rd Place Post Doctoral Researcher Poster Presentation

**“FULL FIELD MEASUREMENT OF SHOCK COMPRESSION
DEFORMATION ACROSS THE CRYSTAL BINDER INTERFACE OF PDMS-
SUCROSE USING TIME RESOLVED RAMAN SPECTROSCOPY”**

On this sixteenth day of June, two thousand and twenty three

Ashok Saxena, Executive Chair, 15th International Conference on Fracture

The International Congress on Fracture

presents this certificate to

David Cook

For

1st Place Student Poster Presentation

***“ON THE STRENGTH AND FRACTURE TOUGHNESS OF
ADDITIVELY MANUFACTURED CrCoNi MEDIUM ENTROPY ALLOY”***

On this sixteenth day of June, two thousand and twenty three

Ashok Saxena, Executive Chair, 15th International Conference on Fracture

The International Congress on Fracture

presents this certificate to

Benjamin Elbrecht

For

2nd Place Student Poster Presentation

***“GRAIN BOUNDARY SLIDING AND INTRAGRANULAR
SLIP MEASUREMENT IN-SITU DURING CREEP “***

On this sixteenth day of June, two thousand and twenty three

The International Congress on Fracture

presents this certificate to

Mohamed Akram Mechter

For

3rd Place Student Poster Presentation

***“FLOWFORMING TO IMPROVE THE FATIGUE LIFE
OF ORTHOPAEDIC IMPLANTS?”***

On this sixteenth day of June, two thousand and twenty three

Ashok Saxena, Executive Chair, 15th International Conference on Fracture
